2003 GENERAL SESSION

limitations imposed under W.S. 21-13-102(c) during fiscal year 2002-2003, as established by the department for that district.

(b) This section is effective July 1, 2003.

(c) This section shall not be effective if 2003 Senate File 0141 is enacted into law.

[NATRONA COUNTY SCHOOL DISTRICT NO. 1 PLANNING MONIES]

Section 331. Fifty-five thousand three hundred dollars (\$55,300.00) is appropriated from the school capital construction account to the school facilities commission for distribution to Natrona county school district no. 1 for reimbursement of schematic design document expenses incurred by the district for a new school building for which funds were not appropriated.

[CAPITOL BUILDING RESTORATION]

Section 332.

(a) The following amounts are appropriated to the department of administration and information to be deposited in a capitol building restoration account which is hereby created, which funds shall be expended for the purposes of capitol building repair upon approval by the state building commission:

(i) Three million five hundred ten thousand dollars (\$3,510,000.00) from the budget reserve account;

(ii) Notwithstanding any other provision of law, any unobligated and unexpended funds appropriated prior to the effective date of this act and available on the effective date of this act from appropriations to the general services division of the department of administration and information for capital construction projects, deferred or critical maintenance and contingencies, not to exceed one million three hundred thousand dollars (\$1,300,000.00);

(iii) Notwithstanding any other provision of law, not to exceed one million dollars (\$1,000,000.00) of the amounts made available under Section 325 of this act for major maintenance needs of the state;

(iv) During the 1994 legislative session, the legislature appropriated funds for capital construction projects and authorized that those projects could be financed under W.S. 9-4-605 through the issuance of revenue bonds. Interest has accumulated in excess of the amounts necessary to fund the projects in an amount of one million five hundred thousand

dollars (\$1,500,000.00). There is appropriated from this excess interest one million five hundred thousand dollars (\$1,500,000.00) from this account for the purposes of this section;

(v) One hundred fifty thousand dollars (\$150,000.00) from the public buildings account created by W.S. 9-4-310(a)(ii) within the permanent land fund.

[WYOMING BUSINESS TECHNOLOGY CENTER]

Section 333.

(a) There is appropriated to the University of Wyoming five million three hundred thousand dollars (\$5,300,000.00) as provided in paragraph (iv) of this subsection to construct the Wyoming business technology center on the university campus in accordance with the Level II study funded by the legislature and completed August, 2001. This appropriation is subject to the following:

(i) The funds from the appropriation under subparagraph (iv)(A) of this subsection shall be made available immediately upon the effective date of this act. The balance of the appropriation under this section shall be retained by the state treasurer and made available to the university to fund this project only to the extent that cash or binding commitments have been received by the university or the city of Laramie to match the appropriation in the amount of three million one hundred eighty thousand dollars (\$3,180,000.00);

(ii) The determination as to whether a binding commitment has been received shall be made by the attorney general;

(iii) Cash or binding commitments shall be received not later than April 1, 2005, to be counted as matching funds under this section;

(iv) Of the five million three hundred thousand dollars (\$5,300,000.00) appropriated in this subsection:

(A) Two hundred forty thousand dollars (\$240,000.00) is appropriated from the budget reserve account to be used for Level III construction drawings;

(B) The balance is appropriated from proceeds of revenue bonds which shall be issued by the state loan and investment board under W.S. 9-4-605. Bonds shall not be issued for purposes of this paragraph until the attorney general has determined that cash or binding commitments for all matching funds required by this subsection have been received and
